

Cyclone Rovers Destroys Tully @ Endeavour

Over a fortnight for the history books Rovers First XI have sent the boys from the Cassowary Coast Packing.

No cyclone warning could have helped the Tully based side as the boys in green showed poise in an historic first victory at Endeavour Park.

The First XI victory was set up on Day One when stand in skipper Dan Kearney tactically lost the toss as a nine man Tully chose to field. Captain DK led from the front in a dominate opening knock posting 68 runs before his customary walking style had him gunned out.

The Roovers bats didn't let up here with Aaron 'the big show' Lock monsterring the Tully attack for 63 runs off 38 balls and Fish digging in with his first 50 of the season. In the end we were bowled out for 277 with an hour of play remaining.

The last hour would see a clinic of bowling and chirp as the Western Bulldogs AFL Victory got the boys up and about. DK would remove their opening bat second ball and it all went downhill from here. Lachy Jess uprooted the stumps of the other opener and once Jasper dismissed Rhys Camilleri Tully were shot.

Week two's action saw much of the same with our boys looking to have a big win at home. Lachlan Jess rolled through the Tully line up on his way to a Michelle 5fer (5-13) routing Tully for 120.

As all good captains do they sniff out weakness in the opposition and with Tully still requiring 170 runs with 9 available bats in the second dig Captain Lever sent Tully back in enforcing the follow on.

Rovers were led by a great bowling display from Jasper Sumner who collected 4 wickets as Rovers claimed the

outright victory by an innings and 7 runs with less than 10minutes remaining in the day.

Kings XI and 3rd Grade Complete Cassowary Coast Rout

The other victories for the weekend came from our Kings XI side who won first innings points against Tully and our 3rd Grade recording an outright victory over Mission Beach in a match dominated by the bowlers.

The Kings XI team were made to work hard in there match at Miller Oval to get the points with Tully batting first and putting on a strong start registering 214 all out.

Mandeep Singh regitered his first 5fer for the season (5-52) as he bowled in tandem with Jaginderpal Singh (2-29). Manu Sharma was the other multiple wicket taker removing the two openers on his way to figures of 2-32.

Day two proved to be a one man show with Viru'Virat'Singh smashing the Tully bowlers to all areas registering Roovers first ton of 2016/17. At the close of innings Viru had helped himself to 111 red inked runs. Solid contributions from PAreminer Dhillon (27) and Rhanjodh Singh Dhindsa (26) ensured the Kingsmen got over the line with a comfortable first innings victory. The Kings eventually were bowled out in the 62nd over for 271.

The boys were able to pick up some consolation points in Tully's second dig picking up 4 poles as Tully finished the day at 4/92.

Our 3rd Grade got the game started well rolling through Mission Beach for 70 in their first dig. Captain Michael Patane taking honours with the ball (4/33) with support from Steve Sills (2/2), Lachie Clarke (2/15) and Darren Dietz (2/19).

In response the boys were left reeling at 5/16 but a solid 6th wicket partnership of 45 between Rowan Tattersall (26) and Michael Patane (23) ensured the boys in green finished the day in front. In the end Rovers were bowled out for 86. Making the opportunity of an outright a very real possibility.

This was an opportunity that the 3rds boys cashed in on bowling Mission Beach out for a miserly 43 in their second innings inside 20 overs. Graeme Kenny (3/5) and Shaun Keating (3/12), Steve Sills (2/9) and Captain Patane (2/16) all picked up multiple wickets in a great team bowling display.

The score of 43 left the boys in Green 29 to chase down for victory. A score which even on a bowlers friendly deck was not going to be out of reach. In the end Rovers claimed outright points in the 19th over for the loss of two wickets.

Gallant Green Caps Defeated by Mulgrave Punjabi

Bhavin Patel did all he could on day one to set up a big first innings total. Bhavin's subdued 96 from the team total 215 was the clear highlight of a first day where the bowlers did their best to beat the bat.

Solid contributions from Brendan Falvo (29) and Ben Newman (29*) helped ensure the Green Caps had a defendable total.

On Day two the Rovers bowlers toiled away on a batter friendly deck. The Mulgrave boys were coasting along at 4-180 before our men put them in a spin. JAspeur Sumner started the downfall on his way to a 5 wicket haul and slow-medium Jeremy Carter continued to probe away as he picked up 4 pegs of his own.

The total would prove to be agonisingly short as Mulgrave were bowled out for 219 in response claiming first innings by 4 runs.

With only 7 overs remaining in the day the Green Caps gained vital points with a Brendan Payne inspired opening stand of 54 before play was closed.

Plenty of positives are to be taken out of the result, a strong bowling display and key bats finding some much needed runs which is sure to set us up for this week's T20s fixtures.

Pruthesh Patel any chance of a captain's shout?
